Where Did We Begin?

- Church Vision Team started August 2006
- Worked, prayed, discerned over 18 months
- “Empower CPC to redevelopment through spiritual renewal and strategic initiative”
- Ministry Action Plan approved May 2008

Why Are We Here?

- Embrace God's call to reach outside our walls
- Meet essential ministry needs of young people/emerging families ages 25 to 40
- Fulfill God's commission and generate spiritual renewal resulting in healthy church growth

CPC Preschool, opened 1985

What Should CPC Do?

- Provide for fellowship needs/spiritual growth
- Confidently raise children to love/serve Christ
- Extend sincere invitation to “find a home, build a life, make a difference”
- Create an attractive, welcoming physical environment

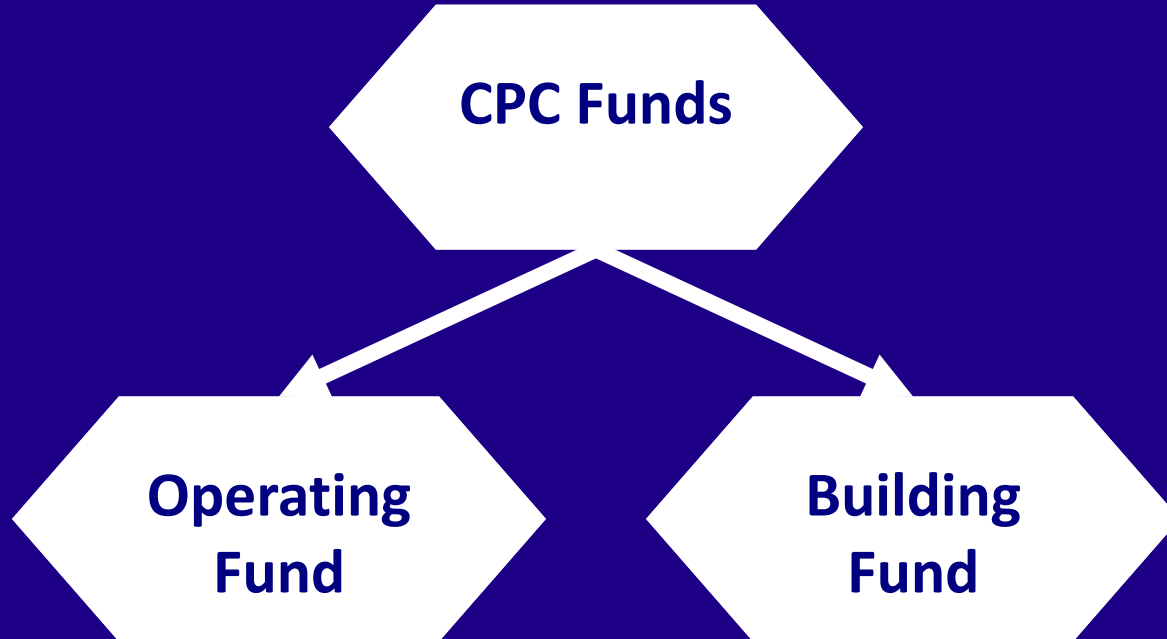

What Are We Doing?

- Action plan: build a Sanctuary in 3-5 years
- Building Committee appointed April 2008
- First step to Sanctuary is Master Plan approval
- Prepare and update Sanctuary Master Plan for submittal to City of Carlsbad in Summer 2009

Why?

- Existing master plan is 25 years old, shows outdated sanctuary that was never built
- Current facility is constraining ministry growth
- New Master Plan is necessary to meet future needs and to be faithful to God's call

CPC Finances

Building Fund

- Building Fund completely separate from Operating Fund
- Some funds dedicated to sanctuary, etc.
- Approx. \$200,000 that cannot be used for operating funds is available for Master Plan

How does Financial Crisis Affect Us?

- Has slowed us down, but has not stopped us
- CPC's operating budget is now improving
- Session authorized up to \$120,000 from Building Fund to hire CCBG Architects for Sanctuary Master Plan Update

Why Now?

- Whether it takes months or years, the economy will turn around
- \$ crisis doesn't mean we abandon our vision
- Sanctuary will create sense of energy, faith & commitment that world's economy cannot stop God's kingdom
